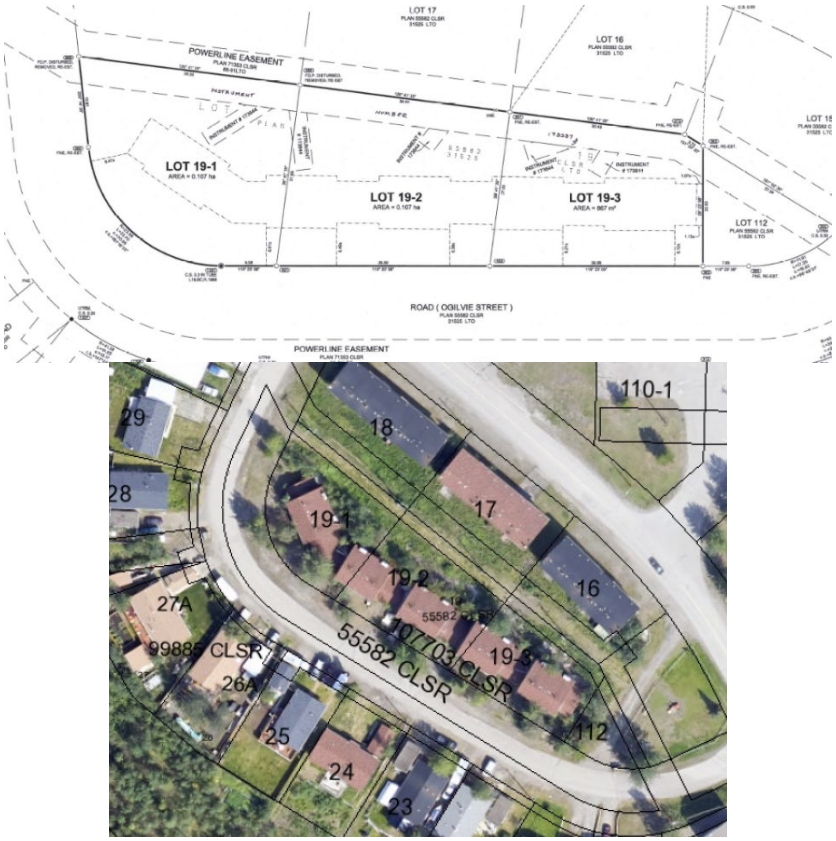
Five (5) Multifamily Residential Units for Sale - by Proposal

33-45 Ogilvie Cres (Lot 19-1), 47-55 Ogilvie Cres (Lot 19-2),
59-67 Ogilvie Cres (Lot 19-3), Faro, Yukon



The Town of Faro is selling five (5) multi-family dwellings (as is) which are situated on three (3) lots. The Town will consider selling individual dwelling units separately; however proposals of this nature will require lot subdivision prior to sale. None of the units are currently habitable and they require a significant amount of work to bring them to a standard that would be eligible for an occupancy permit. These lots are currently zoned for Multiple Unit Residential (R-2).

Building Assessment Information and asbestos test results are available on our website (www.faro.ca) or can be accessed by contacting our office.

An offer to purchase will be accepted on a proposal basis (in accordance with the Town of Faro's Sale of Land Policy). Proposals for renovation or demolition will be reviewed by Council upon receipt. Terms for purchase will be negotiated based on proposals received.

Offers will be accepted starting on June 26, 2026 @ 11:00 am. For further information, or to arrange a site visit, please contact Kimberly Ballance at the Town of Faro Municipal Office at (867) 994-2728 x 4 or by email at cao-faro@faroyukon.ca
